

# IN-HOUSE MASSAGE THERAPY

Baphuon Villa has an arrangement with a high quality beauty spa. We can make an appointment for one of the masseuses or masseurs to provide massage treatment in your room. Alternatively, we can call the spa to fix a time for you to go there. The prices listed here are the same as the spa; there is simply an additional call-out charge of \$2 per visit. Guests may make an appointment from 10 am, and the last appointment is from 9pm-10pm. Other beauty treatments may be available which are not listed here: please enquire at reception.
